

Going to College?

How are you going to get there?

Waterford Institute of Technology
Applied Technology Building

Welcome to the Smarter Travel Campus travel resource for Leaving Certificate students!

If you're considering your third level choices and how you'll travel to Waterford Institute of Technology this resource is for you!

Tools To Help You Plan How You'll Get to WIT

You'll find travel information for WIT (Applied Technology Building) in this document, as well as on the WIT website (more details below). You can also download the free Transport for Ireland apps to help you find out how to get to your campus on foot, by bike or public transport. These apps are listed below. And if you're exploring travel options to other campuses, you'll find more of these travel resources on our website at www.smartertravelcampus.ie

Student Leap Card

Sign up and start saving on your public transport fares! Find out more at www.studentleapcard.ie

Download Free Transport for Ireland Apps

The Apps below will help you travel smarter to and from campus, and beyond! They are available from the android/apple store.

National Journey Planner

To find the best route for your journey, use the free National Journey Planner App. All you have to do is type in your campus and your destination.

Real Time Ireland

Enter your bus stop or train station into the Real Time Ireland App to find out when the next service is due!

Cycle Planner

This App provides information on the best cycling routes in Waterford based on individual cycling capabilities. If you are new to cycling or getting out on the bike after a long break, the Cycle Planner will find a route that avoids roads with heavy traffic and difficult turns at busy junctions.
